

## CHRISTMAS TREES FOR SALE 2018

### What is the idea behind the scheme and who are we buying from?

*Trees for Christmas* is a company which wholesales and retails Christmas Trees. They offer schools the benefit of buying trees at wholesale prices so organisations like the DPA can raise funds by putting a mark-up on but still selling for less than a garden centre or florist.

*Trees for Christmas* are a reputable company, locally based and are members of The British Christmas Tree Growers Association. Once harvested the area the trees are taken from is replanted. Cutting Christmas trees does not result in deforestation.

### How much will the trees cost?

You can order whatever size you like from the list below. Bigger trees can be requested just specify this on your order form, and we can get back to you with a price.

Size and Grade	<b>Black Tags Super Grade 100/125cm 3-4ft</b>	<b>Pink Tags Super Grade 125/150cm 4-5ft</b>	<b>Yellow Tags Premium Grade 150/175cm 5-6ft</b>	<b>Blue Tags Premium Grade 175/200cm 6ft-7ft</b>	<b>White Tags Premium Grade 200/250cm 7ft-8ft</b>
Avg Garden Centre Price	£30-£37	£37-£40	£40-£50	£50-£65	£65-£80
DPA Price	£25	£28	£32	£40	£48

### What size should I order?

Their trees are measured from butt to half way up the terminal leader (the long stalky bit at the top). Please read the following section very carefully so you understand exactly what you are ordering.

The sizes specified above are the size grades the company get from the grower. **The trees will all be within the size ranges specified. We can try to help get the best size for you when you collect but cannot guarantee a specific size in advance** beyond what is specified in the grade.

### How are the trees delivered?

Trees are delivered as cut trees in nets for ease of handling and transporting. All trees will have coloured labels on them as per the order form so you can easily identify which are the different size grades. These will then be labelled with your name for collection.

### Are these trees fresh?

The trees are as fresh as is possible. Some will be from Denmark and some will be Scottish. Clearly with the numbers required they cannot all be cut the day before delivery! As we are getting just one delivery the plants will not be sitting around as they would be in a shop.

### Are these trees cheap because they are sub-standard?

Absolutely not! The trees are the same that the company dispatched to Garden Centres across the UK. They are top grade trees but without the full retail mark-up retail sale.

All trees are Nordmann Fir non drop trees.

We have been buying trees for the DPA and the school through this company for five years now and have been delighted with the quality.

### Delivery

Trees will be delivered to the school and will be available for collection from 3pm until 6.30pm on date of order. We can't get them delivered to your house I'm afraid, but they will be netted to make them easy to carry or put in a car.

**Please return your order form to the DPA Box in Main Reception or the school office by Friday 16<sup>th</sup> November 2018.**
