

Friday Flier

Friday Flier Number 683 22nd June 2018 <http://www.deansfield.greenwich.sch.uk/>

On Tuesday this week, almost all year **6 children**, accompanied by Deansfield class teachers and support staff, travelled to the **Prince Edward Theatre in Old Compton Street** to see the **Musical 'Aladdin'**. Children in Year 6 are preparing their **end of year production** to parents, based on the Aladdin story. We thought it would be a fantastic opportunity for children to watch this performance which may lead to an even better show for our parents to enjoy

at the end of the term on 17th July.

Mr Wilson and Mrs Baldwin tell us how much everyone enjoyed the show, and as usual the children were wonderfully behaved.

We hope you all enjoyed our fantastic **Sports Day** at

Eltham Park yesterday. It was a wonderful event, and a **pleasure to see our whole school community coming together**. The children were brilliantly behaved and the Mile event at the end was enjoyed by everyone.

Tug of War!

Zumba!

Today, we have children in **Class 6BH** visiting the **Science Museum**, with Class 6W visiting next Friday. Children will visit the **Wonderlab**, as well as enjoying a **Science Show**.

Most of the children travelling to the Eisteddfod on 4th July will be having a practice run today at the **St Alfege Church** Concert. Twenty

eight children accompanied by Mr Moore, support staff and parents

travelled to Greenwich today to perform in a lunchtime concert. We are

sure they will sing beautifully and we have our fingers crossed for the **Eisteddfod!**

A plea—can a **parent help** us with establishing a **language and or chess club** either at lunch time or after school. Please let the school office know. Many thanks for your support.

Maths Challenge! Our last puzzle was: "What day do you go back to school, Horace?" asked his grandmother one day.

"Well," Horace replied, "Nine days ago, the day before yesterday was three weeks before the second day of term."

If Horace had this conversation on a Sunday, what day of the week did he start school?

Our solution is: The reasoning runs as follows:

Today is Sunday. So seven days ago was Sunday too. That means that NINE days ago was Friday.

On Friday, the day before yesterday was Wednesday. Three weeks later is Wednesday again. That is the second day of term. So the term began on Tuesday!

This week our puzzle is:

Six spiders catch six flies in six minutes. How many spiders will be needed to catch sixty flies in sixty minutes? No, the answer is not sixty. Try again!

Look out for the solution next week!

Class Assembly: Class RM gave us lovely Assembly this week on with a focus on friendship and loyalty, based on the book 'The Bad Tempered Ladybird' by Eric Carle. The bad-tempered ladybird

picks fights with every animal he meets, but soon learns the importance of friends and turns into a far nicer, happier bug.

Thank you Class RM for your Assembly this morning which we all enjoyed. It reminded us that we need to be nice to each other and if we do, how happy we will be. **Next week,** we look forward to an Assembly by Year 2. Please look out for letters on Monday.
